

BLOCKING BELOW WAIST

HERE IS ANOTHER INSTANCE WHEN WE NEED TO BE SUPER ALERT AND COGNIZANT OF THE WHOLE PLAY. THE TRANSITIONAL GAME (FUMBLE RECOVERIES, PASS INTERCEPTIONS AND THE KICKING GAME) ARE DIFFERENT. A FEW REVIEW POINTS:

- CHECK INITIAL CONTACT (SEE THE WHOLE PLAY)
- REVIEW CONDITIONS WHERE A RECEIVER MAY BE ILLEGALLY BLOCKED BELOW THE WAIST
- PROTECT THE PITCH MAN (OPTION PLAYS)
- REVIEW BLOCKING TOWARD BALL BY A TEAM W MOTION MAN
- CHANGE OF POSSESSION (SUDDEN CHANGE)

BALL WATCHERS ARE PARTICULARLY VULNERABLE ... STAY IN THE GAME AND DON'T BE CAUGHT FLAT-FOOTED.
