

Gentlemen,

I would like us to cover the following pregame this Friday between games. Below, I have “assigned” each of us topics to discuss during the pregame. I expect each of you to prepare and lead a discussion in the following areas:

Brad (R):

On-field duties prior to kickoff, kickoffs (formations/coverage’s/OB/touch by K), planned short FK, penalty philosophy, communication with coaches, dead ball officiating, FG/PAT new mechanic, and mechanics at coin toss, halftime, crew communication.

Bill (U):

New rules, free blocking zone, communication with referee, communication with flanks, penalty mechanics, uniforms, crew communication.

Jonathon (HL):

Running plays - progress, cross-field mechanics, counts A/B, goal line mechanics (going in and out), change of possession mechanics, measurement mechanics, crew communication.

Blake (LJ):

Passing plays - coverage/keys, multiple flags, forward/backward, quick over the middle, goal line/sideline & end line/sideline coverage, intentional grounding, DPI/OPI, crew communication.

Gregory (BJ):

Scrimmage Kicks - positions/coverage, kick OOB, coverage on blocks, PSK, momentum, fair catch, muff vs. fumble, when on goal line, bad snap, 25 Second Clock., crew communication.

Thanks,

Brad Yosick
