

SDCFOA Membership:

The SDCFOA will complete the transition to 2¼-inch striped shirts for the upcoming 2014 season. 2¼-inch wide-striped shirts (short and long sleeve) will be required at all levels (youth through high school).

For your convenience, product and ordering information for three different suppliers is presented below. The SDCFOA does not specifically endorse any one supplier. Please note that there are special instructions required to take advantage of certain discounts. It is highly recommended that you order your new shirts ASAP as other associations around the country are beginning to use these shirts as well.

Special Ordering Instructions	Use discount code CAHSFB192 to receive the 20% discounted prices shown below. Code is entered at the end of the ordering process. If the code is not used, shirts cost \$49.95 and \$62.50 respectively.	When ordering shirts from the "westcoast" web site, just use the web site link above and a page will display that includes the new shirts. When ordering shirts via the generic Honig's web site, type the product number in the search box. The generic "shirts" page has not been updated with the new shirt.	Under the "Football" link, hover your cursor over the "Shirts" selection. On the next menu select "2¼" Colorado, California, Minnesota Shirts" (or use the product number links below). Promotional prices (below) are good until July 6. Prices then go up to \$42.99 and \$47.99 respectively.
